CLASS DESCRIPTIONS

BODY PUMP- the original barbell class that strengthens your whole body. Challenge all major muscle groups with weight room favourites such as squats, presses, lifts and curls, set to motivating music. You control the weight! Improve strength, fitness, muscle shape and tone. Get results-fast!

BODY COMBAT - non contact Les Mills martial arts based fitness program with moves drawn from karate, boxing, muay thai, kung fu, tae kwon do and tai chi. Each class provides a dynamic and energetic experience that will improve your fitness and weight loss.

BODY BALANCE - the yoga, pilates & tai-chi workout that builds flexibility and strength. A carefully structured series of stretches, controlled breathing & concentration leaves you feeling calm, centred & brings your body into a state of harmony & balance.

BODY STEP - using a height adjustable step and simple movements, body step is the energising step workout that leaves you feeling liberated and alive. Have fun with the sing-a-long music while the cardio blocks push your fat burning systems into high gear, followed by muscle conditioning tracks that shape and tone your body.

RPM- a 50 minute indoor cycling class based on outdoor riding. You ride to inspirational music over the equivalent of 20-25 kilometres of varied terrain, controlling the intensity of your workout with a resistance dial and pedal speed

ZUMBA- A whole body dance workout, based around Latin rhythms and dance moves. This low impact dance class is suitable for all ages. Ditch the workout join the party!

PHYSIO PILATES- (Private Health rebates may apply) Instructed by Physiotherapist basic pilates mat, suitable for beginners and those with previous injuries.

PILATES MAT- floor exercises based on the Joseph Pilates method of movement awareness with a focus on core stability and flexibility. Challenges core control.

PILATES BALL- floor exercises based on the Joseph Pilates method, focusing on the core movement control and incorporating the fitball and mini-ball. Fantastic to tone the mid-section.

MOVERS - this low impact class combines low intensity aerobics, strength training and floor exercises. Participants are encouraged to exercise at their own pace and is suitable for seniors.

Belly Dancing - Ancient moves to modern grooves.....Low impact, abdominal control and most of all, FUN!

BOXING - work with a partner to execute boxing combinations-jabs, hooks ,uppercuts-fight your way through this course of fitness & fun. Channel your inner Mohammed Ali! (runs in blocks-see reception for next start date).

f.i.t. KIDS - 40 minute supervised exercise session for children 7-13 years of age. Circuit based exercises including cardio, body weight exercises and FUN games! Kick start your child on the way to healthy living. \$7.00 per session- Bookings essential!
